VICKERS SERIES VANE PUMP AND MOTOR

Part Name	Picture	Comments
Single Pumps 20VQ through 45VQ series		Applied to Mobile Machineries, Industrial Applications etc. 20VQ Series,20VQF Series,20VQP Series, 25VQ Series,35VQ Series,45VQ Series.
Double Pumps 2520VQ through 4535VQ		Applied to Mobile Machineries, Industrial Applications etc. 2520VQ Series,3520VQ Series, 3525VQ Series,4520VQ Series, 4525VQ Series,4535VQ Series.
Triple Pumps 2520VQSV10 through 2435VQSV10 Series		Applied to Mobile Machineries, Industrial Applications etc. 2520VQSV10 Series, 3520VQSV10 Series, 3525VQSV10 Series, 4525VQSV10 Series, 4535VQSV10 Series.
Single Thru-Drive Pumps 25VQT*S through 45VQT*S		Applied to Mobile Machineries, Industrial Applications etc. 25VQT*S Series,35VQT*S Series and 45VQT*S Series.
Double Thru-Drive Pumps 3525VQT*S and 4525VQT*S		Applied to Mobile Machineries, Industrial Applications etc. 3525VQT Series and 4525VQT Series
Single Pumps V10 & V20 Series		Automobile steering pump etc. V10 Series,V10F Series,V10P Series V20 Series,V20F Series,V20P Series

Double Pumps
V2010 & V2020 Series

Automobile steering pump etc.

Shaft end pump

V2010,V2010F & V2010P

V2010,V2020F & V2020P

Cover end pump

V2010,V2010F & V2010P

V2010,V2020F & V2020P

Power Steering Pumps
VTM42 Series

Automobile steering pump etc.

VTM42 Series

Motors
M2U & M2-200 Series

Applied to Mobile Machineries,
Industrial Applications, Port and Ship etc.

M2U Series

M2-210 Series

Motors
25M through 50M Series

Applied to Mobile Machineries,
Industrial Applications, Port and Ship etc.

25M Series,35M Series,

45M Series 50M Series

Replaceable Cartridge

Cartridges for Pumps and Motors

All Vane Series

All Motor Series

Accessory Products

Foot Mounts: Foot bracket kit can be used to mount pumps or motors. Each kit includes a bracket and screws for mounting to the pump or motor.

Kits excluding pumps or motors and must be ordered separately by model number. Includes Sealing,Cover,Shaft,Screws... etc.

Directional Control Valves

Check Valve Series

Applied to machinery, Industrial Applications etc.

- C*G(V)-8 Check Valve
- 4CT/G/03/06/10 Pilot Operated Check Valve

Operated Directional Valve Series

Applied to machinery, Industrial Applications etc.

- DG4V-3-Y₂ Solenoid Controlled Directional Valve

- DG4V-5-Y₃ Solenoid Controlled Directional Valve

- DG5S-5 Solenoid Controlled and Pilot Operated Directional Valve

- DG5V-7-Y₂ Solenoid Controlled and Pilot Operated Directional Valve

- DG5S-H8 Solenoid Controlled and Pilot Operated Directional Valve

- DG5S4-10 Solenoid Controlled and Pilot Operated Directional Valve

Flow Control Valves

Flow Control Valves

Applied to Mobile Machineries, Industrial Applications, Port and Ship etc.

- F(C)G-01 Flow Control Valve
- F(C)G-03 Flow Control Valve
- FRG-03 Flow Control Valve
